Overview:

Online Programme of the Summer Institute at Oriel College, Oxford

In the Summer of 2022, we are offering students who are not in a position to travel a wonderful opportunity to join our Summer Institute online. All courses will be live streamed, and you will be able to participate in the same lectures as our delegates on campus, meet and interact with your teachers and fellow students from wherever you are.

Oriel College (University of Oxford, UK)

Being the oldest royal foundation in Oxford, Oriel College was founded in 1326. It is the fifth oldest college among the thirty-nine constituent colleges of the University of Oxford (UK).

This Summer

SHAPE YOUR FUTURE

Two-week sessions in July and August

Summer 2022

- **Session I**
4 July - 15 July 2022
- **Session II**
18 July - 29 July 2022
- **Session III**
1 Aug - 12 Aug 2022

Highlights:

- All courses taught by elite academics from Oriel College and other colleges of the University of Oxford
- Academic programme overseen by Oriel College Advisory Board
- Easy access to online courses from any corner of the world via programme app
- Interactive seminar-style live streamed classes and thought-provoking evening talks
- A balanced combination of academic content and cultural immersion
- Credit transfer opportunity at your home university (course workload equivalent to 6 ECTS / 3 US credits)

BAC Accreditation:

The Summer Institute at Oriel College, Oxford is offered by Oriel College in partnership with WorldStrides | CBL International. We are proud to announce that WorldStrides | CBL International is accredited by the British Accreditation Council.

Academic Tracks and Courses :

You can choose 1 course per 2-week session. The academic course offerings are under the following five tracks:

International & English Law

- International Criminal Law
- International Dispute Settlement
- International Business Tax Law

Economics

- Economics of Public Policy
- Monetary Policy and Central Banking
- The Health of Nations: Current Challenges and Future Possibilities

British Literature & History

- Modern British History
- Shakespeare and his Age
- The Birth of the Novel

Philosophy & Politics

- The Problems of Philosophy
- Philosophical Classics: Plato's Republic and Descartes' Meditations
- Contemporary Political Theory

STEM (Science, Technology, Engineering & Mathematics)

- Materials Engineering: Dynamic Behaviour of Materials
- Artificial Intelligence
- Quantum Computing, Collapse and Consciousness
- Biochemistry and Molecular Biology

Disclaimer Changes to the course description, topics, programme structure, and schedules may occur due to faculty members' availability.

Programme Structure :

Delegates can participate in one course per session (two weeks). Each session consists of live streamed academic lectures and seminars, evening talks, cultural activities (some of which have been pre-recorded), an online orientation and a graduation ceremony.

After the successful completion of the programme, you will receive a Certificate of Achievement and an Academic Transcript issued by Oriel College.

Our Faculty:

Evening Talks:

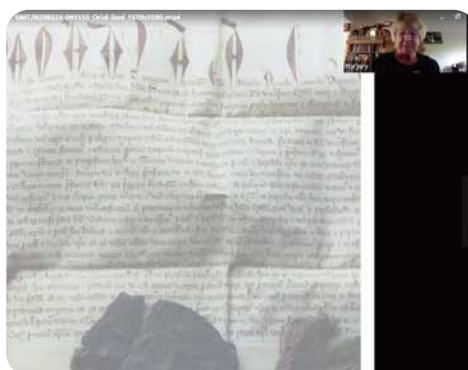

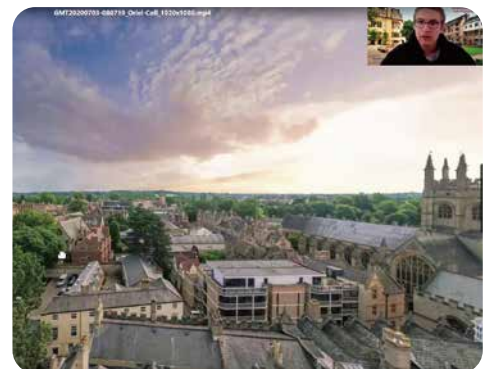

During the programme, we invite faculty members, industry professionals, VIPs, and other subject specialists to our Evening Talks, where a number of thought-provoking and current issues are discussed.

Cultural Activities:

We want to ensure delegates have the opportunity to learn about the rich history and culture in Oxford. Participants have the opportunity to engage online in a variety of popular cultural activities around the city.

All in One – Programme App

We are excited to provide you with our programme app which will give you all of the information you will need. You can use the programme app to access course materials and watch class recordings, which will be available for 24 hours after the class has taken place.
